

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant would like to sincerely thank Examiner Divecha for initiating a telephone interview with Applicant's representative, Benjamin Keim, on February 10, 2011.

During the interview Applicant's representative and the Examiner discussed features that, if included in the currently pending claims, would lead to allowance of this case. For the sake of clarity, Applicant's representative presents new claims that contain all of the features discussed during the interview.

The new claims presented in this Supplemental Amendment are based upon the previously pending claims and on the features discussed during the interview. Accordingly, Applicant's representative believes that all claims should be in condition for allowance.
